

Manually Set Up Hamptons.com E-mail on an iPhone

Follow the steps below to configure your iPhone for use with your Hamptons.com account using the IMAP Protocol.

Step 1

Find and click **Settings** on your iDevice.

Step 2

Scroll down and select **Mail, Contacts, Calendars**.

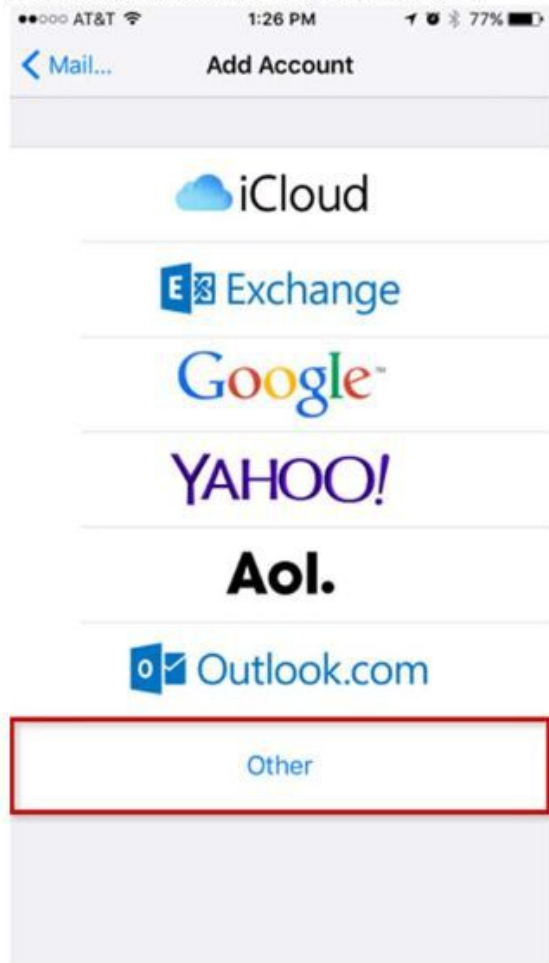

Step 3

Select **Add Account...**

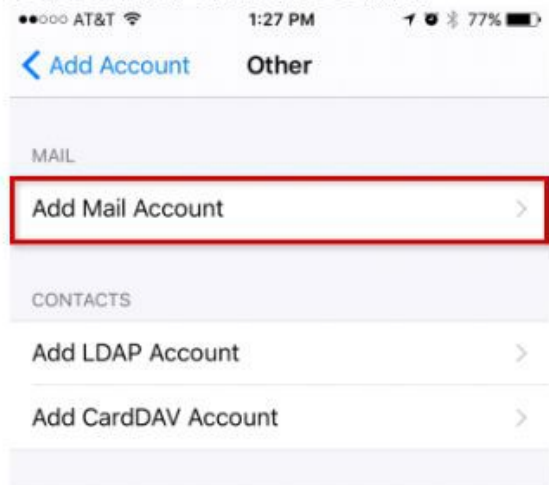

Step 4

Scroll down and select **Other**.

Step 5

Select **Add Mail Account**.

Step 6

Enter the **name** you wish to display to others when sending mail, your **full e-mail address**, and the **password** for the e-mail account.

The **description** will mirror the e-mail address by default, although you may change it to whatever you like.
